Instructions

1. Score the DSP on and the landscape side @ 1-1/2, 4-3/4, 6-1/4, 9-1/2. Turn and score on the portrait side at 3/4, 1-1/2, 4-1/2.
2. Fold on score lines, remove sections, trim tabs, add adhesive and assemble box (see diagram). When you assemble box start with left side.
3. Use the Project Life Corner Punch to round the top edges.
4. Bring top of box together and punch a hole in the middle.
